Seasonal Solutions with Premier!

Not every Spring is warm, not every Autumn is cool, and not every Pansy is the same! Premier is the all-round, all-season large flowered Pansy with a full assortment to meet your needs! Premier's assortment is tailored to offer solutions - whatever the season, wherever your customers are. With varieties specifically bred for warmer or cooler production, as well as a wide range of all-round performers. The assortment includes core and speciality colours in all seasonal segments, so that you can always select just what you need.

Our detailed attribute guide helps you find exactly the right Premier assortment for the location and the season. This complete series extends the previous Premier assortment and replaces the Dynamite series, and includes new and improved varieties to make Premier your go-to choice in the large flowered pansy segment.

- * For packs and pots
- * Non-stretching beefy plants
- * Uniform between and within the colours
- * Large flowers
- * Short peduncle
- * Facing flowers
- * Broad selection of colours for a complete all-season Pansy assortment
31 core and speciality colours
- * Detailed attribute guide per season and European region
(North West / South & Eastern Europe)

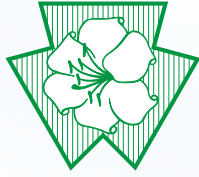

- * *Two standard mixes available: Premier Autumn Mix and Premier Spring Mix*
